2. Free Sheriffs Computer Programme:

An update will be furnished on this. The programme will be handed out free of charge to SANAPS members once it is compiled and tested. Terms and conditions apply.

3. Free Computers and Printers:

We will furnish any sheriff in need with a computer and printer free of charge. Please notify us should you require this. Terms and conditions apply.

4. Permission to do remunerative work in terms of Section 53 of the Sheriffs Act:

We are sensitive of the poor income streams many of our colleagues are burdened with in your Province. To this end, we will assist and guide any sheriff who wishes to apply to the Minister for consent to do additional work to supplement his/ her income. This will be thoroughly workshopped.

This is how we reduce your expenses and boost your income.
