Welcome to the new home of SANAPS, you will find lots of useful information regarding our organisation.

The South African National Association of Progressive Sheriffs (SANAPS) was founded 5 years ago out of a dire need of creating a truly representative body that would support and encourage Government's transformation imperatives.

Our prime objective is to advance and champion the cause of all Sheriffs, Deputy Sheriffs and office staff, by engaging with relevant stakeholders. To this end, we are fully recognised by the Department of Justice and Constitutional Development, the Rules Board, the Banking Forum and the South African Board for Sheriffs.
